

# EXTRA EXTRA READ ALL ABOUT IT!

**WE WRAPPED UP ANOTHER SCHOOL YEAR ONE SAFE RIDE AT A TIME!**

## WE DRIVE SO YOU DON'T HAVE TO!

As another school year comes to a close, we're filled with gratitude, pride, and renewed purpose here at Takes A Village Transportation.

This year, we've had the honor of transporting students across Metro Atlanta—supporting families, empowering youth, and making sure that every child arrived safely to school, programs, and life-changing opportunities. Whether it was a daily school shuttle, a mentoring session drop-off, or a college student needing a ride from off-campus housing, we showed up—because that's what villages do.

## LOOKING AHEAD

We're already planning and preparing for an even stronger fall. With your support, we're expanding routes, finalizing new partnerships, and moving closer to launching new tech.

Thank you to the families who trusted us, the students who brightened our mornings, the partners who believed in our mission, and the team who made every mile matter. Enjoy your summer—and know that your village will be ready when it's time to ride again.

With gratitude,  
The Takes A Village Transportation Team  
“One Safe Ride at a Time”

## CELEBRATING OUR GRADUATES

We're especially proud to share that this year we celebrated 8 high school graduates and 2 college graduates who rode with us. Each one of them is a reminder of why we do this work—because access, consistency, and care can make all the difference in a student's journey.

## HIGHLIGHTS FROM THIS YEAR:

- Offered in-kind services to mentoring programs, ensuring no child was left behind due to lack of transportation
- Supported working families by filling the gap where district transportation fell short
- Expanded our off-campus college shuttle program and introduced new offerings like grocery runs
- Completed over 40 volunteer hours serving our community
- Honored as a Comcast RISE Grant Recipient and a RICE Transportation Grant Recipient
